

NIHERST

in collaboration with the
Intellectual Property Office (IPO)

present

“NIHERST IP Clinic”

At these quarterly sessions, IP professionals engage with persons on the IP rights for their ideas, products, inventions and innovations. The session includes private one-on-one consultations. NIHERST's Fab Lab also provides insight into the possibilities of designing, creating, innovating and problem-solving through their facilities.

NIHERST National Science Centre

Corner Piarco Old Road
& Churchill Roosevelt
Highway, D'Abadie
