CALL FOR PROPOSALS

ICGEB Meetings and Courses 2022

CALL NOW OPEN

The International Centre for Genetic Engineering and Biotechnology (ICGEB) conducts innovative research in life sciences to benefit developing countries.

NIHERST is the liaison office for ICGEB in Trinidad and Tobago.

Benefits:

- Support for scientific events in Life Sciences for ICGEB Member States
- Funding is available for meetings, workshops, theoretical and practical courses, and high profile conferences aimed at disseminating scientific knowledge and enhancing interaction between scientists, the public and policy makers

Eligibility Criteria:

- This Call is open only to ICGEB [Member States](#)
- Scientific Organisers must register on the [ICGEB Service Gateway](#)

Submission of Proposals:

- Proposals must be submitted on-line, inclusive of [ICGEB Liaison Officer Endorsement Form](#), duly signed by the Scientific Organiser and the relevant officers of the Organising Institution

Closing date for applications to be endorsed by NIHERST is 28th January 2021
