

INSCITED

International Conference on Science and Technology for Economic Diversification

June 5th – 7th, 2013 | Hilton Trinidad Hotel and Conference Centre, Port of Spain, Trinidad

INSCITED is a platform for engagement and collaboration between national and international experts, policy makers and researchers in science and technology, higher education, training and labour markets. Its aim is to provide policy guidance and solutions to support economic transformation and sustainable development. The main topics are “Inclusive Growth and Economic Diversification”, “Technology and Sustainable Development” and “Human Capital Development in a Globalised Setting”.
