

Dear Parent/Guardian,

We are excited to have your child/children participate in NIHERST's Virtual Camps. NIHERST is committed to providing a safe and enjoyable online experience for each camper. We ask that you read and review the **Camper Code of Conduct** with your child/children.

## **CAMPER CODE OF CONDUCT**

### **(A) LOGGING IN/OUT**

There are two (2) possible timeslots for login in each day dependent upon the camp(s) selected.

- Early Birds (morning): 9:00 a.m. – 11:30 a.m.
- Later Gators (afternoon): 1:00 p.m. – 3:30 p.m.

All campers are required to log in using the provided link to the session for which they are registered at least five (5) minutes before the sessions is scheduled to begin. It is important to log in to the session early to troubleshoot any technical difficulties e.g. configuring audio and video settings.

Please enter a screen name/username that is the full name of the camper as stated on the submitted registration form. Campers may be placed in a virtual waiting room before entering the online camp and using their name aids in confirming their identity before providing access.

Campers should start the session with their video /cameras for the duration of the session except where when asked to share their screen with the group. Microphones should be muted at all times except when the camper is given permission to unmute by the facilitator.

Before logging in to the session we ask parents/guardians to survey the physical space in which the member will be seated for the virtual camp. Please be mindful of camera placement e.g. away from open windows, passageways and doorways as well as lighting and objects in the background. Additionally it is in your best interest to inform relatives

and guests that your child will be participating in an online session and to refrain from disturbing the camper.

At the end of the camp session all campers are required to safely log out of the session or this will be done by the NIHERST facilitator.
