FREQUENTLY ASKED QUESTIONS

1. What are the iSTEM Club about? What is the topic/theme?

NIHERST's iSTEM Club is designed to orient the minds of our future leaders towards science and technology. It's the perfect environment to cultivate students' curiosity and creativity while teaching them to base their reasoning on evidence and solve problems via interactive and hands-on inquiry- and problem-based learning.

The following club theme will be available for Term 3 of Academic Year 2022-2023:

ArtLab	The wait is over...iSTEM Club is back in person! Join the club that matches learning with fun as we explore the art all around us in this term's theme: ArtLab ... Discover art's connections to science, technology, and culture. Develop new skills and enhance your creativity as you dabble in various art styles and processes to make your own masterpieces. It's going to be a colourful, messy, innovative, and all-round fun term and you don't want to miss it! See you soon at iSTEM: ArtLab!
