

A Shell Trinidad and Tobago Initiative

NXPLOREERS PROGRAMME FAQ'S (TERTIARY INSTITUTION)

1. What is the cost to participate in the programme?

NXplorers is free of charge to undergraduate students.

2. Do students need anything, in particular, to participate in the programme?

All materials for these in person workshops will be provided by NIHERST. Students are encouraged to walk with an electronic device such as a laptop, cell phone or tablet.

3. Minimum requirements to participate in the programme?

Undergraduate students currently enrolled in tertiary level institutions (within Trinidad and Tobago only) between the ages of 17-25 years old can participate. Each participant is required to complete two (2) simple questionnaires administered at the beginning and end of the programme. **Please note that this is a team competition where students will be required to work in pairs.**

4. When will the sessions for NXplorers programme be held?

NXplorers sessions will be held on Wednesdays at the University of Trinidad and Tobago (UTT) San Fernando Campus and Thursdays at the University of the West Indies (UWI) St. Augustine Campus for one 1 hour and 30 minutes. Students will be required to attend **one** session weekly at **one** location from 1:30pm-3:00pm. Students can only select **one** location to attend workshops for the duration of the programme. Please note that some sessions will also be delivered online.

5. What is the process to register?

A registration form will be sent to all tertiary level institutions selected to participate in the programme. The link to the registration form can also be found below:
<https://forms.office.com/r/5FSkYPYGU1>

6. What is the competition start date?

The competition and workshops are expected to begin on February 1st and 2nd 2023 respectively. Please refer to the NXplorers terms and conditions document for an outline of workshop content and dates.

7. Is there a deadline to register?

Yes, the deadline for registration is January 31st 2023.
